Hi Addy,

We saw that you've started the Reapplication process but you haven't completed your application yet.

As a reminder, on February 10th the application opened to all returning students to do the following;

1. Sign the Housing License Agreement
2. Create your Roommate Profile
3. Begin roommate matching (optional)

Please return to the [AU Housing Portal](#) to complete the process. You'll receive a confirmation email when everything in this first step is completed.

You need to finish this part of the application before you select your space in late March.

As always, you can refer to our [reapplication webpage](#) for updates in the process and more information.

In anticipation of your return to on-campus housing and as a token of appreciation from HRL and Dining Services, we are excited to announce two special incentives\* for the upcoming reapplication season and **you still have time to qualify for these offers if you complete your application before**

the dates below:

- Returning students who complete their housing reapplication by **February 23, 2025** will receive a **\$100 promotional account** to be used at on-campus venues. Those who complete their reapplication between **February 24 and March 9, 2025** will receive a **\$50 promotional account!**
- Additionally, all returning students living on the main campus will receive **\$35 in laundry credit** (equivalent to 10 loads) their first semester living on campus, while returning students in the Frequency Apartments will receive **\$35 in mobile ordering credit** for ordering from campus locations!

*\*To receive either promotional offer, returning residents must successfully select a room space during room selection and check in to their assigned room space. Credit will be applied once you have moved into your housing assignment for the Fall 2025 semester. The \$100 and \$50 promotional accounts will expire at the end of that semester.*
